Re: Notice of File Closure for Small Mining Activities, High Divide 1 & 2, S/027/063, Millard County, Utah

Dear Mr. Tolson:

This letter is to notify you that file #S/027/063, for the High Divide 1 & 2 project, located in Section 11, T19S, R14W, Millard County, Utah, will be retired from our files.

The BLM recently inspected the project area and found the surface reclamation satisfactory. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly.

If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. If you plan to do any further mining activity in this area, you will need to notify the appropriate land management agency and receive written approval. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Tom Munson'.
